TROUGH TACTICS

Sustenance ideas for old farts

NOON, TUESDAY, 6th February 2024

For the first Trough Tactics this year - we pay homage to Cisco and Pancho with a heart warming and feverishly satisfying Mexican Street Corn Chowder - the type they'd slurp from their pannikins around the campfire after a dusty day chasing bandito's across the vast expanses of the desert.

EVERYONE WELCOME

See you soon - Ah-ha!

Mexican Street Corn Chowder

I always cook with wine. Some times I even put it in the food!

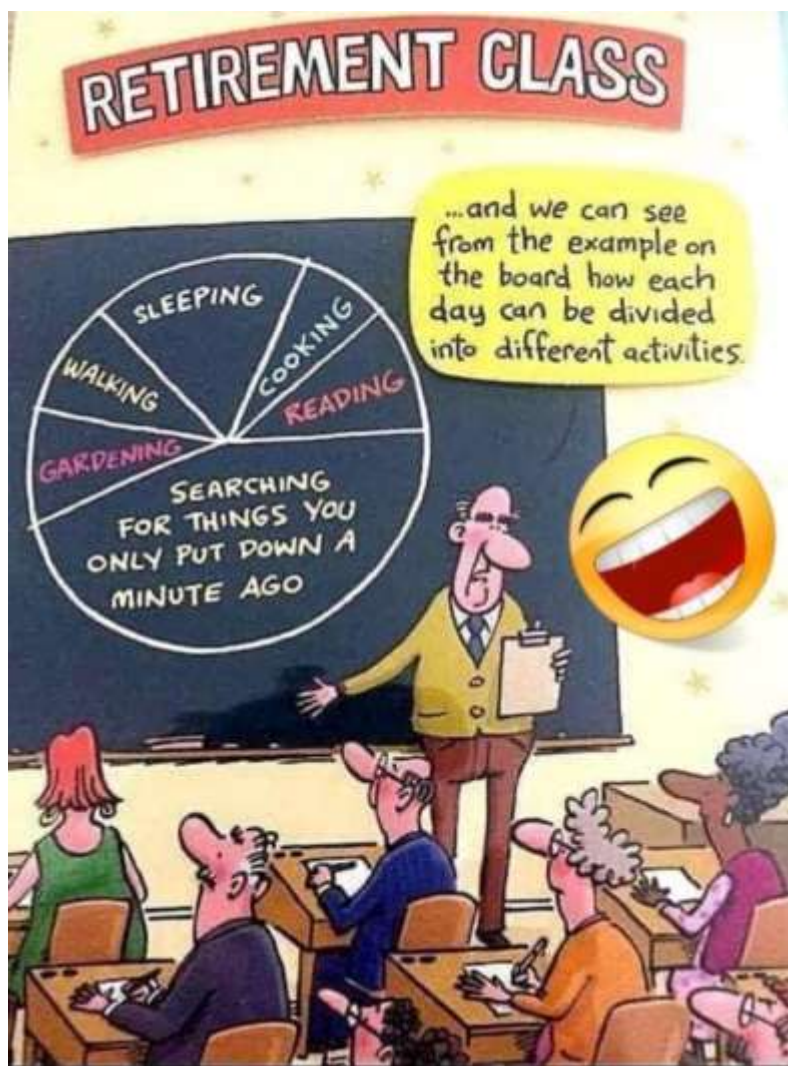

Message from El Presidenté

Peter would like to remind Members about the Shed's on-going need for money and that Members can make donations that are tax deductible as well as including a Bequest Clauses in their wills.

All this information and more is available on our new Website. www.indroshed.org.au

New Classes at the Shed

Preparing for Retirement 101 class will be led by Les.

Weird Math

Who Knew?

$$1 \times 1 = 1$$

$$11 \times 11 = 121$$

$$111 \times 111 = 12321$$

$$1111 \times 1111 = 1234321$$

$$11111 \times 11111 = 123454321$$

$$111111 \times 111111 = 12345654321$$

$$1111111 \times 1111111 = 1234567654321$$

$$11111111 \times 11111111 = 123456787654321$$

$$111111111 \times 111111111 = 12345678987654321$$

Weird Science

Life tip: If you want to increase the range of your car key fob, press it against your cheek when pressing the lock/unlock button. This essentially causes your head to become a large antenna, which increases the range of your car key's signal.

Sadly, there is no evidence that doing this will precipitate any bowel movements.

And finally for this week...

A submission from Melbourne (thanks David)

Another round of *punishment* for all the loyal newsletter readers...

DIET DAY 1

I have removed all the bad food from my home.
It was delicious.

The clerk asked debit or credit?

Angrily I whipped out a twenty and told her to never again to assume my tender!

My friend is a professional sleepwalker.
He is living the dream.

Starting my new job at the guillotine factory today.
I'll beheading there shortly.

As I looked at my naked body in the mirror...
I realized that I was just about to get kicked out of IKEA.

Are mountains funny?
No, they're hill areas.

Me: "Hello, I need to make an appointment for my pet Emu Gronk."
Vet: "Ok what's the problem?"
Me: "He's holding his head to one side."
Vet: "Hmm, maybe neck's weak?"
Me: "Haven't you got anything sooner?".

I just burned my Hawaiian pizza.
Maybe I should have cooked it at aloha temperature.

On the way to yoga yesterday I saw a man standing on one leg at an ATM.
Confused, I asked him what he was doing...
He said: "Just checking my balance."

I saw my wife using her phone to record herself getting her hair styled.
I think she's planning to watch the highlights later.

My wife left me saying I'm too insecure.
Oh, no, wait, she's back. She just picked up some groceries.

You can tell a lot about a woman by her hands.
For instance, if they are around your throat, she's probably feeling mad.

We were headed out for a family holiday. The car told us a tire's pressure was low. We stopped at an Ampol to use their air pump. They wanted \$1.50. My wife exclaimed "what the hell, for air?"
To which I replied, "well that's inflation for ya". She was not impressed...
I was.

My wife just told me that Peter Tork of The Monkees died today.
I said, No way! Now I'm a bereaver.
