It's that time of year again...

Membership Annual Renewal invoices will be sent out by email on 1 April 2024 which is the start of the Shed's new financial year. To simplify our accounting processes, please do not make a payment until you receive your invoice.

The fee for renewal will remain at \$75.00 for continuing membership. A discounted amount applies for those who have joined recently (as they paid the full \$75 at the time when they joined).

This annual payment covers the sheds fixed costs including insurance (covering both general liability insurance and personal and property cover), lease costs for our building and site, Brisbane City Council costs, water, electricity etc, whereas normal operating costs are covered by members as they use the shed and by income from shed projects.

When you receive your invoice, the preferred method of payment is by direct debit to the Sheds bank account and those details will be included on the invoice. *Please remember to include your Invoice number and Name when making payment to ensure it is allocated to the correct person.* Payments by cheque or cash can also be accepted.

If you do not wish to renew your membership and do not want to receive a Renewal Invoice, please reply to this email advising accordingly.

If you have any questions or concerns, please contact me or any Management Committee Member.

Astro News

Comet Pons-Brooks has quite a tail to tell. First discovered in 1385, this erupting dirty snowball loops back into our inner Solar System every 71 years and, this time, is starting to put on a show for deep camera exposures. Visible with binoculars now near Orion and will brighten further as it gets closer to the Sun.

Paid Filming Opportunity - looking for Fathers and Sons in Brisbane area

I'm a casting director from [Byrne Creative](#), we're a film and TV casting company based in Sydney.

I wanted to reach out as we have a paid filming opportunity that could be of interest to some of your Shed members.

We're currently casting a campaign for Allianz Insurance that specifically focuses on the upcoming Olympics. The campaign is being directed by [Riley Blakeway](#) with production company [Division](#) and filming in the Brisbane area

For this filming, we are hoping to cast a **Father (50s-60s) and Son (20s)** based in the Brisbane or surrounding area. They do not need any acting experience.

This is a paid opportunity (the people chosen would receive **\$2500** each less tax, plus super). This will film locally in the Brisbane area over 1 day between 7th and 11th of May.

Anyone interested can apply via our submission link below:

I walked into a pub with my wife...
The Bartender asked: "Would you like a drink for your wife?"
I said "That sounds like a fair swap."

I asked my wife if the cup was half-full or half empty.
She told me "For the last time, stop wearing my bras."

The wife said she was feeling light-headed from a low iron level.
To help her, I have raised the ironing board to a more suitable height.

My wife and I had a row and it finished with her literally crawling to me on her hands and knees!
She said "Get out from under that bed and fight like a man."
